FUNDS SOURCES

Our entire parent community contributes to Friends through both their volunteer hours as well as the fundraising activities that go on year long. These programs are crucial to our school experience and the educational outcomes for your children. In the past few years, **parents' contributions to the yearly Gala event have been the biggest funding source.**

* From Mr. Patton's letter "Thank you to the Friends of Princeton Charter School"
** Include fall party boards, school picnics, flower sales, pie sales, etc.

WHAT IS THE GALA?

It's the annual adults only (21+) event for Princeton Charter School Parents, Guardians, Faculty, Staff and Board members to celebrate and support our school. The event is hosted by Friends to help ensure we connect as a community and support with the fundraising necessary for our student's continued success at Princeton Charter School. Guests will enjoy delicious food and an open bar, entertainment, and dancing, as they connect and socialize with fellow parents, teachers, and school leadership.
